Dear Mrs. Hecht,

I am writing to inform you that I am applying for a permit to build an addition to my existing home located at 3017 Campbell Circle, Las Vegas, Nevada 89107. The purpose of this addition is for living quarters for my 87 year old mother. The addition will be attached to the existing structure on the east side of the property and will extend south toward the back wall. We will be requesting a variance to the rear yard setback of 10 feet where 35 feet is currently required.

At this stage of planning, I am seeking your approval to go forward with this project. I would appreciate your signatures on this letter so that I may submit them to the City of Las Vegas Planning and Development Department.

Sincerely,

Suzan Baucum
